Eduardo Patino.NYC

Discover the tools to communicate effectively with your accompanist and dancers.

Olga Bazilevskaya has a passion for playing for ballet classes whether beginning or advanced. She understands that achieving the best possible class for students requires synergy between the teacher and the accompanist, created through a common language. This workshop educates the ballet teacher in the areas of meter, rhythm & tempos; communication techniques; and demonstration of terms. Music is presented for barre through center work.
