Add Creative Dance Tools to Your Toolbox!

You will learn:

- Elements of the Brain Dance
- Developmental Movement
- Five Part Lesson Plan
- Children's Yoga and Relaxation Techniques
- How to apply Creative Dance to All Ages

Dionne Kamara and Julie Gayer Kris apply creative dance and movement to help enhance learning for all ages. Specifically, Dionne and Julie train movement educators and parents how to lead creative movement sessions that naturally augment the brain's development. Using elements of social emotional engagement, this unique method helps to create an effective and positive learning environment as well as build community among children, parents, caregivers and educators. These practices also benefit adults including teachers, administrators and parents, leaving them refreshed and open to teaching, learning and communicating.
