Creative Play & Performance with Larry Keigwin at the Paul Taylor Dance Company invites pre-professional and professional dancers to explore the creative process over four dynamic sessions. Participants will hone their skills as collaborative artists, using improvisational and compositional tools in a fun, lighthearted environment. Learn to quickly excavate movement ideas with simple considerations of space, design, and narrative within a collaborative format. Infused with the athleticism and virtuosity of Keigwin's signature approach, the class fosters a sense of play, helping students discover authentic movement while refining their technique. Each day will begin with a short warm up class followed by a creative process. The four sessions will culminate in a performance on Friday afternoon on August 8th.

Creative Play takes place from Tuesday, August 5th - Friday, August 8th from 12:00 - 2:00 pm at Taylor Dance West, located at 307 W. 38th St., 9th fl, NY, NY 10018. Please use the revolving door to enter.
