Malpasos Dance Company comes back to The Joyce with its dazzling, classically trained dancers in *Tabula Rasa*, a hard-driving work by choreographer Ohad Naharin, who recently traveled to Cuba to restage this rarely performed dance. Additional works from the company's growing repertory—which includes pieces by internationally recognized choreographers and promising Cuban talent—will round out the program.

Curtain Chat: Thu, Jan 10

Master Class: Fri, Jan 11

Family Matinee: Sat, Jan 12
