Celebrating women, dance and the beauty of age, Dances For A Variable Population (DVP) will present three performances and two interactive workshops of REVIVAL 3: It's About Time, an outdoor public dance project featuring 10 legendary dance artists and 75 non-professional senior dancers, who in some ways allow us to become time-travelers. Through their memories and dancing bodies, we can journey to the dance traditions of other times. REVIVAL 3: It's About Time, connects a multi-generational dance company with female choreographers in their 60s, 70s and 80s.

REVIVAL 3: It's About Time will take place on Saturday, June 15 at 5pm and 7pm at Grant's Memorial Tomb at Riverside and 122nd Street in Manhattan, with a workshop, ALL TOGETHER DANCE at 3 PM and on Saturday, June 22 at 4PM at Queensbridge Park at 41st Ave & Vernon Blvd. in Long Island City, with ALL TOGETHER DANCE workshop at 5PM.

All performances are free.
