This interactive movement-based workshop focuses on the work of Gauthier Dance//Dance Company Theaterhaus Stuttgart which is a dynamic company of 16 highly individual, versatile artists, directed by the dancer, choreographer, and musician Eric Gauthier. Established in October 2007, the company's repertoire includes works by Gauthier as well as contemporary choreographers such as Mauro Bigonzetti, Sidi Larbi Cherkaoui, Marie Chouinard, Sharon Eyal, Andonis Foniadakis, William Forsythe, Itzik Galili, Jiří Kylián, Lightfoot/León, Hans van Manen, Marcos Morau, Ohad Naharin and Sasha Waltz.

Special Guest: Artistic Director Eric Gauthier will visit the workshop to engage participants in an embodied experience linked to Gauthier Dance//Dance Company Theaterhaus Stuttgart's choreographic and artistic processes.

DELving Mini-Workshops focus on exploring a choreographer's voice through the [Dance Education Laboratory \(DEL\)](#) model. DEL facilitators guide participants through an exploration and investigation of a choreographer's work through multiple entry points in order to design accessible lessons and activities for all dance learners.

Extend your experience: Workshop participants receive a 20% discount to same-day performances of [Gauthier Dance](#) in the Ted Shawn Theatre. See your registration confirmation email for more details.
