Join us in making a difference! This campaign will help us set up a large range of dance classes for students young and old, and display on line performances from our rich repertoire, to bring much needed hope and purpose to our global dance community, to our dedicated teachers and educators and to our audiences.

Peridance Contemporary Dance Company and Peridance Capezio Center are rising to the call of these hard times and are teamed together to bring our quality dance education to an on-line platform for our students all around the globe.

There is no higher purpose than strengthening the human connection between all of us and hand in hand moving through these hard times with conviction and resolve, and with heads up towards a new chapter full of love, laughter and DANCE.

Please consider donating so that we can keep PCDC and Peridance community moving into the future!
