Call our TECHNICAL HOTLINE if you need any additional support 920-659-5715.

Focused on inspiring strong and creative movement among adults of all ages and abilities, our free programs are the heart of Dances For A Variable Population's work. Based on the core values of appreciating one's own body and moving with other people, the programs promote greater mobility, self-confidence, physical awareness, social interaction, expressiveness in movement, and a greater sense of meaning. We start by acknowledging each individual's history and take each participant forward from that place.
