January & February Weekly Afro-Caribbean Classes - MONDAYS 7:00-8:00PM

In this energetic and creative introduction to Afro-Caribbean movement, students will explore the way their bodies move to a variety of percussive sounds and rhythms. Dancewave Teaching Artist Sade Bully will bring in styles from Jamaica, Haiti, and surrounding Caribbean cultures while opening space for self-expression, self-empowerment, and exploration for participants of all levels.

At Dancewave, everyone is invited to dance!

All of our teachers create a community in class that is supportive and non-competitive. We are committed to providing opportunities for students to engage with a diverse range of movement styles. Taking class at Dancewave is about the joy of moving, building confidence, and learning together in an environment that celebrates individual expression and creativity.
