Joe Forzano

Inspired by the works of Janelle Monae, *The Electric Lady* centers around Android Number 57821, otherwise known as Cindi Mayweather. One night after performing at The Electric Sheep, Cindi tragically falls in love with the human Anthony Greendown. When the Ministry of Droids is notified of this forbidden android-human affair, Cindi and Anthony have no choice but to run. *The Electric Lady* brings to you a modern telling of a classic star-crossed tale.
