Step into the Magic of Summer with Marie-Christine Giordano Dance!

Join us for a truly unique Summer Solstice performance: Esquisses — an unforgettable evening of contemporary dance and live music set within the breathtaking ambiance of a 1913 grey stone chapel.

▮ As the light shifts and the longest day turns to night, experience:

- Powerful, expressive dance in an intimate setting
- Post-performance dialogue with the artists and a wine reception in an atmosphere that blends creativity, beauty, and connection

This is not just a performance — it's an immersive celebration of creativity and summer light.

Come celebrate the solstice with us. Let yourself be moved.
