Company: HMF Venue: Central Park Location: New York, NY ► Share | Print | Download

Hello! This is an open invite for anyone interested in participating in a community dance gathering in Central Park on 4/21 in honor of Earth Day (one day early).

Components of the day will include open improv, open creating/rehearsal, and/or some showing/sharing of works in progress. Open to people participating in just one component or in all three. Hoping the day can be creative, open ended, experimental, community-building, and reflective on earth, nature, people, peace. Wear bright colors and feel free to bring a snack or a poem or a friend.

Structure is currently fluid and tentative but potentially:

12-1: open improv

1-3: open creating/rehearsal

3-4: showing/observing work

Please fill out the google form below if interested in participating in any portion!

Also feel free to email me at hfoote07@gmail.com if you have questions.
