New York Live Arts (Live Arts) partner and independent performance series, EdgeCut, present SANITY: the second showcase in an online group performance series. Various interactive events and artist talks will be hosted inside the 3D virtual platform NOWHERE. Curated by Heidi Boisvert and Kat Mustatea, the series explores our complex relationship to the digital and how "liveness" is defined during this current moment. This second virtual showcase on December 5th, 1:00 - 4:00 PM EST, features an international group of artists selected from an open call, including Malena Dayen, Karen Lancel + Hermen Maat, Caitlin + Misha, Katelyn Halpern + Paul Pinto, and divinebrick + Chris Soohoo.
