Emelin Theatre presents Nutcracker Dream

Experience the magic of *Nutcracker Dream* at The Emelin Theatre! This 90-minute, family-friendly adaptation by acclaimed choreographer Carole Alexis, inspired by the work of Rudolf Nureyev and Marius Petipa, brings the beloved holiday classic to life. Performed by Ballet des Amériques professionals with local young dancers, it's a festive must-see!

ABOUT CAROLE ALEXIS | CHOREOGRAPHER Carole Alexis is a choreographer, producer, dance educator and the founding director (2011) of the Carole Alexis Ballet Theatre/Ballet des Amériques, who has won numerous awards: in 2021, Carole Alexis was named Chevalier de l'ordre des Arts et des Lettres by the French Ministry of Culture; in 2023, she was honored with the Artist Award by ArtsWestchester. A student of Maurice Béjart, Alexis' choreographic work is rooted in classical ballet training and tradition while drawing upon influences as disparate as children's games, island rituals, natural phenomena, and modern urban life. Alexis proclaims, "My interest in creating *Nutcracker Dream* is to bring families and friends together around the essence of what the story represents – namely, the beautiful balance between Marie's childhood playfulness and her coming of age in the midst of her own circle of family and friends."
