Heidi Duckler Dance Theatre Artistic Director Heidi Duckler and Associate Artistic Director Teresa "Toogie" Barcelo will lead the two-day workshop, intended for experienced movement practitioners.

The workshop curriculum will focus on generation of original choreography, and integrating movement and the environment. Workshop attendees will have the chance to share their choreography at an informal performance Sunday, November 6th at 5pm.

Duckler and Barcelo will use the workshop as an opportunity to familiarize themselves with Los Angeles-area dancers for potential casting in future performances.
