When the leaves turn, the season begins: *Fall for E125*

Join us for Fall for E125 on November 8, 5:30-7:30PM at the National Dance Institute in Harlem. Mark your calendars for an evening of artistry and creative fellowship with Artistic Director Tiffany Rea-Fisher and the company dancers.

This year's event carries special significance: E125's 2025-26 Season marks 10 years of Tiffany Rea-Fisher's leadership as Artistic Director. For a decade, Tiffany has rooted the company in Harlem while expanding our impact across New York City and beyond. With an eye toward the future, Tiffany leads with care and clarity, and choreographs with precision, presence, and fire.

Fall for E125 will feature a sneak-peek preview of a new work by Tiffany Rea-Fisher. As our annual fundraiser, this event is both a celebration of our artistry and an opportunity to support EMERGE125 as we kick-off the 2025-26 Season.

Light refreshments will be served from 5:30-6PM and after the performance! The showing will begin at 6PM.

Tickets: General Admission \$45; VIP Ticket \$75; VIP Partners \$140; Sponsorship \$500
