Immerse yourself in the many aspects of traditional and contemporary Japanese culture through uniquely themed visual art and performance workshops led by teaching artists. Each month will explore a different topic.

Traditional Japanese dance has a long history and many variations, often borrowing movement from nature, animals, and life. At this workshop, families will have the unique opportunity to embrace a joyful Japanese tradition! Learn, create, and dance with the Hanagasa Kai group from the Japanese Folk Dance Institute of New York. All abilities welcomed!

Programs recommended for kids ages 6-10 and accompanying adults.
