Join us for an evening supporting artistic experimentation and creative risk! For this year's Fielday showcase, we've invited six early to mid-career artists of The Field to share 10-minute excerpts of work in various stages of progress.

Through a blend of dance, comedy, theatre, and performance art, our Fielday lineup will take us on a journey from rebirth to rehab, antifascism and the American dream, and service industries on both sides of the law.

Don't miss captivating, bite-sized performances by Rourou Ye, Nicky Sunshine, Michelle Hurst, Maylin Castro, Kym Bernazky, and Gina Stevensen. Expect the unexpected!
