Company: BAAD! Bronx Academy of Arts and Dance
Location: Bronx, NY

Born of the old "Café Cantantes" where spectators enjoyed drinks and a great show, this performance features a collection of NYC's best Flamenco dancers, singers, and instrumentalists. It's a journey to Spain in celebration of the dynamic rhythmic elements of the traditional flamenco artform: baile (dance), cante (singing), toque (guitar) and jaleo (vocals). Experience the power and passion of this art form, right here in the Bronx!

Guitarist - Pedro Cortes
Singer - Jose Moréno
Dancer - Nelida Tirado, La Conja
