Eurythmy Spring Valley

Come to Anthroposophy NYC this Saturday, June 8 at 7 pm, and experience the movement art to the spoken words.

The Eurythmy Spring Valley Ensemble, one of the leading eurythmy groups in the world, will perform and present all four panels of the Foundation Stone Meditation on the eve of Whitsun.

Experience the depth of the cosmic spirit Light in spoken words, and harmonious movement art of eurythmy in the Foundation Stone Meditation, for which Rudolf Steiner gave the forms, and the indications for gestures, costumes, and lighting.

MAY OUR HEARTS BE WARMED AND OUR MINDS ENLIGHTENED!

In addition to the live performance by professional eurythmists, Dorothea Mier, one of the world's most senior and still active eurythmy experts, will present what lies behind the harmonious movement you will see.

Please note that sitting is limited.
