Mignolo dance is a contemporary dance company founded by sisters, Charly and Eriel Santagado, in 2017. They have been dancing and creating together for more than ten years and use this experience to continue to collaborate with each other and other dancers and artists to create new work that explores elements of various artistic mediums through movement. The company has had work produced at many festivals including KoDaFe, Dumbo Dance Festival, Triskelion's SummerFest, Waxworks, Peridance's APEX, and Koresh's Come Together Dance Festival. Most recently, their work was produced in HERE Arts Center's Co-op Sublet Series and was presented at Inclined Dance Project's inQuad Split Bill Series at Dixon Place.
