FTH

Get ready for a high-energy, pan-Jazz experience for a GLOBAL MASHUP between the George Gee Swing Orchestra and the Arturo O'Farrill Afro-Latin Octet. On February 7, these master musicians play together for the first time, igniting the stage with their signature sounds.

Before the show, acclaimed dance instructor Vanda Polokova will offer dance lessons to get everyone moving. All levels are welcome—from those who just want to have fun to seasoned dancers who came to FTH ready to cut a rug.

Each band will play a short set and then come together for a mashup designed to delight. FTH is honored to present these contemporary jazz legends in our space. Join us for an unbeatable event that celebrates jazz and community!
