Theme: Ganesh

Remover of Obstacles

Transit: Sun in Libra trine Mars in Gemini

This aspect brings energy, self-esteem, and a major boost of courage to rise above difficult challenges with ease. A gathering to transmute the data collected from the past month and harvest the nutrients from the experience lived.

Expect to be shocked, triggered, entertained, nourished, tickled, held, heard

Who is this for? Millennials and Gen Zs, and anyone who still proudly participates in youth culture, anyone who wish to better themselves for others and the planet!

Key momentum for Ascension

- Set an intention for what you wish to manifest in this existence
- Set an intention for what you wish to manifest for the planet
- Take responsibility for the energy you are putting out into the world
- Find your own truth in this idea that we are all connected and creating reality together
- Bring balance to your mind, body, and soul
- Focus on your relationships and lead with compassion
- Release any insecurities that are preventing you from creating deeper connections with others and self
- Think about how you can deepen your connection to the world around you
- Feel at one with nature and all of life
- Know you are never alone and connected to all
- Deepen your relationship with Spirit/ your guides/ the Universe
- Connect with like-minded souls to foster a sense of community

*\*Bring something comfy to sit on, cushions, pillows, yoga mats, be ready to move...along with your pure intentions!*
