Glitter and Desire: Language or Something Else

Company: Conversations Without Walls
Venue: Danspace Project
Location: New York, NY

► [Share](#) | [Print](#) | [Download](#)

Language is a choreographic force: the graphic of the choreographic. How do the tremulous histories of fascia, bone, memory, desire incite writing as its own kind of dance? This conversation invites writers, dancers, and artists to speak of thought and sensation as speculative fictions.

Conversations Without Walls
St. Mark's Church 131 East 10th Street
New York, NY, 10003
