Broadcast virtually on December 11 and 12 at 7pm EST, Raja Feather Kelly will create and star in *HYSTERIA*, an installation and performance that studies pop culture and its displacement of queer Black subjectivity. This performance piece and corresponding installation debuts in the Ford Foundation Live Gallery and will be viewable from the sidewalk outside Live Arts (219 W 19th St)—if you're in the neighborhood, you are welcome to stop by and watch it live on December 9 and 10 at 7pm. Attendants will be required to wear a mask and socially-distance. Tickets to the live stream performances on December 11 and 12 are \$10.
