The ART of [Ballet Summer School ZURICH 2016](#) will take place with the support of *William Forsythe* from the 8th of August until the 20th of August 2016 in the beautiful studios of Tanzwerk101 Zurich.

Every major historical ballet school in the world has its own technique and style of teaching.

Where French technique will thrive in petite batterie and meticulous pointe work, Russian technique will excel in virtuosity, Balanchine style will focus on speed while British schooled ballet dancers will shine in precision and purity.

In a ballet company of today, dancers have to excel in all different repertoires and dance styles. At [ART of](#) we think it is of the utmost importance that young dancers have a knowledge of various dance techniques to be able to enter a major dance company.
