January 12 - May 18, 2019

Intermediate Adult Latin Jazz with Camille Moten

Company: Ballet Hispánico Location: New York, NY ► Share | Print | Download

Latin Jazz is a style equally rooted in jazz-influenced technique with a Latin-American inflection, infusing styles of salsa, samba, cha cha, and other popular Latin vernacular dance. The movement, expression, and musical accompaniment are pulled from both styles, exploring the fundamentals of both classical jazz and Latin ballroom. Combinations will explore polyrhythmic movement, stylistic textures, and performance development.
