Jane Gabriels - The Lost, The Found and The Fantasy: Urban Meditation

Company: Movement Research

► [Share](#) | [Print](#) | [Download](#)

Venue: Movement Research at Eden's Expressway

Location: New York, NY

Through an interdisciplinary approach, participants will work with excavating found images, phrases overheard on the bus, movement studies from the street and found sounds and texts to develop their own response to the city and its current dialogue with us.
