JENNIFER MONSON: Systems/Scores: practice/process

3:30-6pm August 4-8 \$140

"In this workshop we will investigate how we make scores out of the systems that we live in, observe and are attracted to. A score is an open structure that creates improvisational choices for a particular context. We will create systems for movement that can be layered into performance scores. This will be our practice."

MELT Intensives are a series of daily workshops in technique, somatics, improvisation, composition that provide an opportunity to engage with some of the most innovative artists in the field of dance today. Register online in advance.
