Leela NY

We're proud to offer you a special summer of kathak classes in partnership with our sister schools, The Leela Academy in LA (Leela Dance Collective), the Chhandam School of Kathak in the Bay Area and Sureela Academy and Ensemble in Denver.

Our Kathak for All weekly workshops and Kathak 101 series provide students of all ages and backgrounds an introduction to the rich world of Kathak, a classical dance form of North India. Whether you are brand new to dance, a novice dancer looking to explore a new dance form or an experienced dancer seeking to expand your dance and movement repertoire, these workshops will give you a fun and engaging experience. Enroll today to start your journey with Kathak!
