Collabs: Dream Labs and New Works is a vision of creating opportunities and seeds of new ideas. Farrish has long wanted to work with her community, dear friends, and brilliant friends. In a series of 3 evenings, she will work with other artists in choreography, theater, film, and music to see what works they might want to play in and develop. Creating solos, duet, group works, short films, alongside Farrish's new work "Put Out the Fire Dear". She reimagines what it is to work together, and build visions with those who inspire you and push you.
