Kids Dance will return to the Joyce with the bubbly Balkan KYDZNY, with more effervescent dancing kids than raindrops in a sun shower. Don't miss KYDZNY and other pop up and frabjous repertory from Eliot Feld, including Dotty Polkas (2008) and the world premiere of A Yankee Doodle. All dancing by the remarkably poised, scrupulously schooled, and impeccably rehearsed students from the Ballet Tech School. Give yourself a treat!
