Steelstatue & Sheep Meadow Dance Present: Kinancer

with Music by Nick Virzi.

A collaborative contemporary ballet with dancers interacting and activating a 750lb kinetic steel sculpture.

This groundbreaking, site specific, high stakes performance will be on the cutting edge of ballet, art exhibition, music and performance blending an array of disparate artistic expressions into a truly once in a lifetime event in the incredible modern space that is Saint Peter's Church.

January 12th and 13th, 2026.
