What is LEIMAY LUDUS?

As the regular practice of the LEIMAY Ensemble, LEIMAY LUDUS explores methods to physically condition the body and develop a sensitivity to the "in-between space. LEIMAY LUDUS seeks to stimulate imagination, enrich creativity, and expand notions of body, space, and time by challenging euro-centric dance and performance training frameworks.

LEIMAY LUDUS is based on principles developed by LEIMAY's Artistic Co-Director Ximena Garnica through nearly two decades of her study of Butoh, Noguchi Taiso, and Experimental theater.

Who should apply?

This workshop is open to dancers, movement artists, actors, directors, performers as well as humans with a focused interest in connecting deeply to the LUDUS practice.

The full cost of the 9-week cycle is \$450. Subsidized payment options of up to 40% are available for BIPOC, low-income applicants, and arts workers. Options will be presented upon registration.
