Join Movement Headquarters as we present preview performances of our brand new immersive Nutcracker, Land of the Sweets. This holiday classic's heroine, Clara, is now a fully grown adult living in New York City. Feeling nostalgic about the parties her family threw every Christmas Eve as a child, she prepares to host her first extravaganza on her own. Yet, nobody shows up!

Step alongside Clara as she transforms from happy party host to lonely holiday grump. All of your senses will be thrown into the holiday spirit as you join Clara throughout her journey into the Land of the Sweets, where both she and you will learn once again to enjoy the sweeter side of life!
