Join the Limón Dance Company at The Joyce Theater May 2nd - 7th for their 2017 season.

In a program highlighted by musicality, athleticism, and drama, the contemporary emerges out of the classics in the Limón Dance Company's first Joyce season under its new artistic director, Colin Connor. The dramatically luminous and sharply etched *Night Light* created for 10 dancers by Kate Weare, lives alongside *Exiles*, Limón's touching evocation of banishment. *Concerto Grosso*, cherished for its elegance and classicism, is on the program, as is Colin Connor's driving sextet, *Corvidae*, a haunting work inspired by the ferocity and mystery of crows and ravens.
