A hallmark of David Dorfman Dance's work is its community outreach and engagement working with senior populations. In this hour-long workshop using improvisation and steps like line dancing, disco, and more, seniors with any level of dance experience (or none!) can find joy and discovery. How do we navigate toward positive change, resilience, and empathic behavior? Our answer is to dance through life with each other: safely and with magical risk appropriate for the occasion.

This FREE event is General Admission, first-come first-served. Just show up!
