The Brooklyn-based performance ensemble and dance company Urban Bush Women kicks off their 40th Anniversary in style with a series of events and performances at Lincoln Center! This movement jam/dance class embraces the idea that each individual has a unique and powerful contribution to make, and that our bodies are a powerful source of agency. UBW uses dance as both message and medium to bring together diverse audiences through innovative choreography, community collaboration and artistic leadership development, working to create a more equitable balance of power in the dance world and beyond.
