Hello

I'm looking for a dancer to work with on this piece. I'm filming for the digital special of my one man show. It's a passion project so don't have big budgets, but can offer \$25/hr rehearsal (one day on either 10/23 or 10/25) and \$150 for the performance 10/26.

Here is the poem: <https://vimeo.com/369457031> pw: Circle

We do not need to closely imitate the video and it will be mostly her dancing and me performing the piece with choreographed moments to sell the love story.

The shoot is in person at King's Theater and COVID precautions are being taken.

If you're interested and available please send some links/videos/ways to see your work to [max@wordsthatmove.com](mailto:max@wordsthatmove.com)

All the best,

Max
