Lori Belilove will present her Isadora Duncan Dance Company in performances in the intimate Isadora Duncan Foundation Studio, with a wine and cheese reception following each performance. Belilove will join her ensemble, accompanied on piano by Cameron Grant, for a program of Duncan dances to Chopin, Schubert, Brahms, and Scriabin. She will also provide opening remarks for each dance section describing the narrative behind the dances, as well as the dynamic elements of the Duncan technique. "For these performances," remarked Belilove, "I am selecting a repertory of Isadora's works that reflect her purity and intensity, including many of the dances which my extra-ordinary dancers performed on our recent tours to China and Greece."
