Bobbi Jene Smith, a distinguished alumnus of Ohad Naharin's Batsheva Dance Company and the subject of the Tribeca Film Festival's award-winning documentary, "Bobbi Jene," adds her "Lost Mountain" to this year's La MaMa Moves! lineup. Employing an international mix of ten dancers, musicians and actors, "Lost Mountain," a world premiere, while abstract in its delivery, is intensely visceral in its impact. With natural forces serving as a metaphorical analogy, "Lost Mountain" argues that our perception of what appears to be immobile is not, and what appears a unique natural occurrence or individual experience is really collective and inherited.
