Photo: André M. Zachery by Rachel Neville

Hosted by a different MELT teaching artist each week, the MELT "movie night" series features work on video that inspires, influences, engages and/or represents that artist's current creative process and artistic concerns. The screenings provide an opportunity for a more in-depth dialogue between students and teachers beyond the workshop setting, as well as a chance to connect in a more social environment.

MELT Movie Night with André M. Zachery
August 1
Tuesday 7pm
Abrons Arts Center Studio G05
Free
