Matthew Westerby Company is thrilled to announce our 2025 Performance Season at the Murray Haber Theatre at Hudson Guild in Chelsea! From April 24-27, 2024 the Company will present four performances of new premieres and MWC repertory, and performance by MWC 2. The season will feature the world premiere of "When at First, They Came For Me" in collaboration with composer John P. Hastings, and a solo in collaboration with actor L.A. Brown.

We are proud to present our 3rd Annual Youth Dance Platform, with two different programs for 200+ young dancers from around NYC and beyond, honoring our mission of building community through the arts and celebrating the work of our young people, onstage and in the studio.
