With Jessica Lang and company members  
In conjunction with The Wanderer

For emerging choreographers

This immersive master class teaches the basic techniques and language of choreographer Jessica Lang's creative curriculum, LANGUage, which encourages choice and cultivates creative thinking. After a warm-up of improvisational and exploratory exercises, Lang and company members guide participants through material from the ensemble's diverse repertory. Afterwards, students have the opportunity to ask questions about Lang's choreography and process.
