Visitor Parking is a live, immersive, site specific multimedia piece rooted in contemporary dance that explores a variety of mental health problems in effort to advocate for the recognition and de-stigmatization of mental health related conditions. The piece calls upon mignolo's developing "translation" movement vocabulary accompanied by poetry, original music, set and costume design. Join a cast of eight dancers on a sometimes tangled, sometimes illuminating journey through the complexities of the mind. Tickets are \$30, but no one is turned away for lack of funds. If the price point is inaccessible to you, please contact charly@mignolo.dance for a discount code.
