Mini-Global Mashup: Barbados Meets USA African American Spirituals

Flushing Town Hall's Mini-Global Mashup series continues through 2023! Curated by acclaimed trumpeter and composer Frank London (The Klezmatics), the Mini-Global Mashup series is bringing together two amazing global music artists along with accompanists for an evening of music, conversation and exploration.

On November 17, 2023, Flushing Town Hall will welcome Adrian Clarke, the high-energy Barbadian steel drummer, skilled American keyboardist Richard Henry, and the snazzy, jazzy Hilliard Greene!
