MR @Danspace

\$12 / \$14

Focusing on exercises that bring awareness to the feet, spine, and pelvic floor, we will explore sensation, instinct, the inherent musicality inside the body, and phrasing. All the while dancing, we will work toward a more grounded and direct approach to movement.

[Jennifer Nugent](#) danced with the Bill T. Jones/Arnie Zane Dance Company from 2009-2014 and David Dorfman Dance from 1999-2007, receiving a "Bessie" for her work with the company. She has worked intensively with Daniel Lepkoff, Lisa Race, Paul Matteson, Martha Clarke, Gerri Houlihan, and Dale Andre, among many others. Jennifer enjoys creating her own work and is currently collaborating on a new evening length piece with Paul Matteson and Ted Coffey.
