[Morning Class](#) with Molly Lieber

March 14 - April 6

T Th 10am-12pm

MR@Eden's Expressway

131 E 10th St.

This class aims to provide a peaceful setting to work on movement together. We'll go into feeling and energetic specificity each morning through connections that require gentle focus and renewal. Material will be offered as a base on which to practice poetics and physics without relation to a performative outcome.
