This class aims to provide a peaceful setting to work on movement together. We'll go into feeling and energetic specificity each morning through connections that require gentle focus and renewal. Material will be offered as a base to practice poetics and physics on without relation to a performative outcome.

[Molly Lieber](#) recently performed in works by luciana achugar, Wally Cardona and Jennifer Lacey, Keely Garfield, Neil Greenberg, Maria Hassabi, Melinda Ring, and Donna Uchizono. She makes dances in collaboration with Eleanor Smith.
