Created by Chris Hannon, former principal dancer for Lord of the Dance, Murphy's Celtic Legacy features original choreography combining traditional Irish and modern dance techniques presented with multimedia elements, song and live music. The cast of Murphy's Celtic Legacy gives an invigorating performance of traditional Irish Dance.

The performance centers on an original tale developed by Hannon drawn from Irish folklore—a tale of Kings and Queens, rebels and magic; epic battles between good and evil. It tells the story of the Murphy clan, who flee the corrupt tyrants of their native Eire in search of a better future.
